

# Doorbells

An alternate game mode for **HERAK**  
by **July Sinn**

*In the early evening, massive unexplained layoffs were announced in the Graveslums.*

*Over 40 percent of the workforce extracting and refining necrocrude are facing unemployment, eviction, and roundups in the morning.*

*The only way to fight it is to unionize, but the rumor is that one of the unions is secretly working with the Authority.*

*It's time to knock on some doors.*

## Setup

- ◆ Do not place a monument or Authority Figure during setup.

## Game End

- 1 Point** for each door with at least one poster on it

The following changes and additions are made to the game:

## Special Rule: Wrong Door

If a post roll fails to place a poster on a door and there is no authority figure on the table place an authority figure next to that door.
